

Teachers and Classroom Assignment for 2018-2019

Welcome to Cannella Elementary School! We recently mailed a postcard to your residence and ask that you refer to the affixed address label in order to identify your child teacher homeroom assignment. The assigned teacher can be identified by the number code which appears in the upper right corner of the label. The first four-digit number represents the teacher code and the second four digit represents the classroom number.

Please bring your postcard to our Meet the Teacher event so that we can better assist you.

(example: Mrs. Phillips would be KG01 on her student label)
